- F&G
- DES
- Other:

6. What is the nature of the request?

- Purchase
- Lease
- Easement
- Other:

7. Is there public or private access on the property?

- Yes **What type?**
 - a. Water: Canoe/cartop or powerboat
 - b. Land: Fishing, hiking
- No

8. Is there existing development on the site?

- Yes **Describe:**
- No

9. Is there existing development on the adjacent sites?

- Yes **What is the location of the nearest existing development and its distance from the property?**
- No

10. If the project proposes new development, is it consistent with existing and adjacent development?

- Yes
- No
- NA

11. Was a site visit conducted by Program staff?

- Yes **Attach a synopsis of the visit including the date to this form.**
- No

Site Designations and Wildlife Considerations:

12. Are there Prime Wetlands, NWI mapped, or other mapped wetlands present on or adjacent to the site?

- Yes **Attach detailed information to this form.**
- No

13. If YES, will there be impacts to the Prime Wetlands?

- Yes
- No
- Unknown

14. Are there Natural Heritage Bureau (NHB) rare, threatened or endangered species present?
